CONSERVATION EDUCATION PRESERVATION

International Wildlife Museum

International Wildlife Museum

Located on the edge of the Tucson Mountains, the International Wildlife Museum taps into children's natural curiosity and focuses it on the natural world. During the two day session, children will learn by exploring and discovering the wonders of nature through themes that enhance their awareness. They will investigate animals and their habitats around the world, as well as acquire observational skills and experience teamwork. More importantly, they will be having fun!

Staff

Rodeo camp programs are conducted by qualified staff with experience in environmental and informal education. Rodeo Camp coordinators are First-Aid and CPR certified.

To Register

Mail the completed application form and payment for the full amount (per child) to the International Wildlife Museum. Please complete the health history on the back side of the application form. Upon receipt of the application and payment, you will receive a schedule for the camp. We reserve the right to cancel the rodeo camp if less than five campers sign up.
